Next-gen security systems

Product	Description	Price		Including Gst price
<p>Add 16 Wireless Devices</p> 	<p><u>Touch Guard (Non GSM)</u> (Wireless panel Non GSM)</p> <p>No dry battery for Siren Touch password to activate / deactivate Elegant design Inbuilt SOS Button Activate / deactivate system by touch password Extra wireless transmitter compatible for wireless siren Add upto 10 normal sensor (Like Door , Shutter, pir , glass break detector, etc) Add upto 4 all active sensor (Like Smoke, Panic button, etc) Add upto 2 remotes (Activate, Deactivate, panic on and panic off)</p>	Rs.5950/-		Rs.7021/-
<p>Add 16 Wireless Devices</p> 	<p><u>Touch Protect (GSM)</u> (Wireless Panel GSM)</p> <p>No dry battery for Siren IVRS (No sms pack required now) Touch password to activate / deactivate Logs storage inside device (up to 20) Elegant design Without external antenna Inbuilt SOS Button Gsm based calling up to 5 users Extra wireless transmitter compatible for wireless siren Add up to 10 normal sensor (Like Door , Shutter, pir , glass break detector, etc) Add up to 4 all active sensor (Like Smoke, Panic button, etc) Add up to 2 remotes (Activate, Deactivate, panic on and panic off)</p>	Rs.6360/-		Rs.7504/-

Product	Description	Price		Including Gst price
	<p>Door Magnetic Sensor controller based (Indian) 7 Years battery backup</p> <p>Frequency : 433MHz Distance : 200m in open area 7 years battery backup when door opens or close not more than 60 times a day</p>	Rs.1700		Rs.2006/-
	<p>Dual Element Digital PIR Sensor (Israel) (3-4 Years Battery Backup in 5 min mode) (Rodents and Reptile Immune)</p> <p>Frequency : 433MHz Transmit distance : 100m in open area Detecting range : 110 degree , 5-8 meters 3-4 years battery backup with original Duracell battery with at least 2000mAh Battery capacity and in 5min detection mode</p>	Rs.3000		Rs.3540/-
	<p>Shutter Sensor microcontroller based (Indian) 5 Years battery backup</p> <p>Frequency : 433MHz Distance : 100m in open area 5. 5 years battery backup when shutter operates 10 times a day max</p>	Rs.1950		Rs.2301/-
	<p>Wireless Vibration / Glass Break CPU based with adjustivity (Indian) 10 years battery backup</p> <p>Frequency : 433MHz Distance : 100m in open area 10 years battery backup when vibration operates 20 times a day max</p>	Rs.1750		Rs.2065/-
	<p>Wireless Panic Switch (Indian) 10 years battery backup</p> <p>Frequency : 433MHz Distance : 100m in open area 10 years battery backup when door operates 20 times a day max</p>	Rs.1650		Rs.1947/-

Product	Description	Price		Including Gst price
	Wireless Smoke Sensor (Israel) (3 years battery backup) Frequency : 433MHz Distance : 100m in open area	Rs.3125		Rs.3687/-
	Wireless Panic Alarm System (90) (Only for one panic switch) Includes: Panel, Chee Siren, Adaptor & Panic Switch	Rs.4650		Rs.5487/-
	Wireless Panic Alarm System (130) (Only for one panic switch) Includes: Panel, Chee Siren, Adaptor & Panic Switch	Rs.4950		Rs.5841/-
	Wireless Siren Power Combo (90)+XTRANS CIRCUIT Includes: Qty 1 - Panel Qty 1 - Adaptor Qty 1 - Battery Li-ion (12V) Qty 1 - Box for Installation Qty 1 - Chee Siren	Rs.4030		Rs.4755/-
	Wireless Siren Advance Combo (130)+XTRANS CIRCUIT Includes: Qty 1 - Panel Qty 1 - Adaptor Qty 1 - Battery Li-ion (12V) Qty 1 - Box for Installation Qty 1 - Hooter 12V	Rs.4260		Rs.5026/-

Next-gen security systems

Product	Description	Price		Including Gst price
	Wireless RF Repeater Includes: Panel & Charging cable	Rs.4000/-		Rs.4720/-
